Health Officer Advisory

Letter to manufacturers

**Lobby for change in
standards and certification
programs for chemical
controllers**

**Require secondary site-
specific engineering
controls**

Outreach

**Program lead provides
Public Pool Safety
classes**

**Includes response to
emergency situations at
public pools**

Maintains website

**Multiple handouts
provided by inspectors**

STATEWIDE PICTURE

Photo attribution: Alayna Shulman/Record Searchlight

A pink-tinted background image of a hospital room. In the foreground, there is a bed with a white sheet and a red blanket. In the background, there is a medical cabinet with the word "DEEP" visible on it. The overall scene is dimly lit, suggesting a hospital setting.

6 patients

1 admitted

A collage of images showing people at an outdoor event, overlaid with a semi-transparent white box containing the text "81 evaluated at ED". The background consists of several overlapping photographs: a blue tent on a grassy field, a group of people in a red-tinted area, a group of people in a yellow-tinted area, and a group of people in a green-tinted area. The text is centered in the white box.
